

The following is taken directly from the Official Bulletin Board:

**Attention  
Notice  
Parents...Grandparents  
Please...Please...Please**

The children are not allowed to drive and kind of gas powered or electric powered mopeds, scooters (go-pees), motorized skateboards, motorbikes, golf carts or motor driven cycles.

**Everyone in Bass Lake knows of all the trouble we are having with cars and trucks speeding up and down our streets.**

So please, we don't want any of our children hurt, crippled or worse.

The document will be enforced and we will get our legal team involved if we have to. That would become an expense to all residents and will make many neighbors become your enemies.

**Rules and Regulations of International Bass Lake Resort  
Homeowners Association, Inc. Rules and Regulations dated 12/18/2008**

- 1.6 Licensed motorcycles, motorbikes, minibikes, "motopeds" and other similar powered vehicles shall be operated only when in compliance with the following restrictions;
- a. The vehicle can be operated only on paved roadways;
  - b. The driver of said vehicle must have a vehicle operator's license;
  - c. The vehicle can only be used for transportation from the lot to and from a specific location;
  - d. Drivers must operate the vehicle in accordance to subdivision speed limit and in a safe manner.
