

## Sentry Management

Susan Waters is Bass Lakes Sentry Management representative. Sentry Management or Susan can be reached by:

A good feature of the Sentry management website ([www.sentrymgt.com](http://www.sentrymgt.com)) is the ability to look at a directory of residents for Bass Lake and our HOA documents. Here are steps to do that.

Go to [www.sentrymgt.com](http://www.sentrymgt.com)  
Click on Homeowners  
Click on Kissimmee – Orlando office

Or follow this link directly to the LOGIN menu  
<http://www.sentrymgt.com/locations/kissimmee-%E2%80%93-orlando-office>

Click on LOGIN  
Enter your Homeowner Account Number  
Your account number is a 16 digit number found on your payment statements or contact Sentry management for the number.  
Your owner name should now appear. Click on that and you're in.

Enter your directory information if it's not there.

Note: This website is brought to you by Bass Lake residents and is not associated with the Board of Directors.
